

Boston April 25th 1865

Mrs. Henry Cook, Pres.

Mrs. Geo. A. Osborne, sec.

And

Ladies of Soldiers Aid Society of South Danvers

Your note, conveying to me the vote of your society on the 21st of April came duly to hand.

Permit me to express to you my thanks for the expression of your kind wishes, and also to assure you that they were duly appreciated.

I am happy to be assured that I was instrumental in forwarding the good work in which you are engaged, and only regret that circumstances forbade me doing more.

Hoping that the time is not far distant when your labors, as a society, will be relieved by Peace.

I remain,
Respectfully yours,
Edward F. Osborn
